(SRI C. J. MUCKANNAPPA)

in the said area, is not contained in the report of the D.S.P. and the I.G.P ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಇಲ್ಲ.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಆ ಸಮಾಧಿಯಮೇಲೆ ಮನೆಯನ್ನು ಕಟ್ಟಲು ಸರ್ಕಾರ ಅವಕಾಶ ಕೊಟ್ಟಿರುವುದು ನಿಜವೆ ?

ಅಧ್ಯಕ್ಷರು.—ಸಮಾಧಿ ಇಲ್ಲವೆಂದು ಹೇಳಿದ್ದಾರೆ.

Sri C. J. MUCKANNAPPA.—I have a certified copy of the report which is not confidential wherein it is stated that a samadhi is constructed within this area ?

ಅಧ್ಯಕ್ಷರು.—ಹಾಗಾದರೆ ನನಗೆ ತೋರಿಸಿ.

Sri C. J. MUCKANNAPPA.—May I know whether there were no objections to the enquiry by the District Magistrate about three years back ?

Sri B. D. JATTI.—This matter is being considered since many years.

Sri C. J. MUCKANNAPPA.—Was there any stay order by the Deputy Commissioner, Tumkur District, not to construct the samadhi ?

Sri B. D. JATTI.—There is no mention of samadhi; but there was a stay order from the Deputy Commissioner.

Sri C. J. MUCKANNAPPA.—May I know the contents of the stay order ?

Sri B. D. JATTI.—No, Sir.

Sri C. J. MUCKANNAPPA.—It is relevant to the question. I want to know what are the contents of the stay order.

Mr. SPEAKER.—It only means that Government have no copy of the stay der with them.

Sri C. J. MUCKANNAPPA.—Without proper reply to my question, my putting supplementaries will not help in any way. Was there a stay order from the Municipal Council ?

Sri B. D. JATTI.—There was a stay order from the Deputy Commissioner.

Sri C. J. MUCKANNAPPA.—Was there any oral instruction in this respect ?

Sri B. D. JATTI.—On behalf of the police there was no oral instruction to stay construction, but there was a stay order from the Deputy Commissioner. But, Government ultimately decided to give the piece of land which was occupied by one Bhagavan Singh without previous permission of Government.

Sri C. J. MUCKANNAPPA.—May I know how it was disposed of ?

Sri B. D. JATTI.—The site was sold to the person who wanted to construct this house.

Uniform Rates for Supply of Electricity in the State.

Q.—1460. Sri F. H. MOHSIN (Hubli City).—

Will the Government be pleased to state:—

(*a*) whether they are aware that the charges for consumption of electricity for domestic, industrial and agricultural purposes are higher in Bombay Karnatak than those in the old Mysore State ;

(*b*) whether they are aware that the development of industry and agriculture is greatly hampered due to such high rates ;

(*c*) whether they intend to bring the rates to the level prevailing in the old Mysore area ;

(*d*) if so, when ?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(*a*) Yes.

(*b*) This is a matter of opinion.

(*c*) and (*d*) The question of having a uniform rate structure for the whole State is under the consideration of the Board.

Sri F. H. MOHSIN.—May I know when we can expect uniform rates for the whole State ?

*Sri H. M. CHANNABASAPPA.—There cannot be uniform rate structure for hydel and thermal power. There is bound to be difference. So far as hydel power is concerned, the report of the committee is finalised and Government expect to finalise it very shortly.

Sri F. H MOHSIN.—May I know the prevalent rates for electrical energy consumed for industrial and agricultural purposes in the old Mysore and Bombay Karnatak and other areas ?

* Asterisk indicates that the remarks or speeches have not been revised by the member concerned.

Sri H. M. CHANNABASAPPA.—For industrial purposes it is, in Mysore, 1·25 annas for first hundred units, ·91 anna, for over hundred units; in Bombay Karnatak area, 2½ annas for first 50 units, 1½ annas for thousand units and one anna for additional units.

Sri A. R. KARISIDDAPPA.—May I know the rate charged for agricultural purposes ?

Sri H. M. CHANNABASAPPA.—For irrigation purposes the rate charged in old Mysore is: ·75 annas for first 50 units and ·50 annas above 50 units. In Bombay area the rate prevailing for industrial purposes is charged for irrigation purposes.

Sri A. R. KARISIDDAPPA.—Will the Government bring in uniform rates for the whole area ?

Sri H. M. CHANNABASAPPA.—The matter is under consideration because it was only on 1st April 1957 that the Bombay Electricity Board handed over charge to Mysore. The Government is very anxious to bring about uniformity at a very early date. Probably it may be much earlier than what is imagined.

Sri B. RACHIAH.—Is it not a fact that the question of revision of rates of power or bringing about uniformity in rates is within the purview of the State Electricity Board ?

Sri H. M. CHANNABASAPPA.—It is.

Sri V. P. DEENADAYALU NAIDU.—Has not the Thacker Committee increased the rates in the rate structure in Mysore and are they not in force ?

Sri H. M. CHANNABASAPPA.—The rates I quoted are the rates that are fixed after the recommendation of the Thacker Committee.

ಶ್ರೀ ಎಂ. ಆರ್. ಪಟ್ಟಣಶೆಟ್ಟಿ.—ಹೈದರ್ ಪವರ್ ಮತ್ತು ಥರ್ಮಲ್ ಪವರ್‌ಗಳ ದರದಲ್ಲಿ ವ್ಯತ್ಯಾಸ ಏದೆಯೆ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚೆನ್ನಬಸಪ್ಪ.—ಥರ್ಮಲ್ ಪವರ್ ದರ ಹೈಡಲ್ ಪವರ್ ದರಕ್ಕಿಂತ ಹೆಚ್ಚಾಗಿದೆ. ಕಾರಣ ಉತ್ಪತ್ತಿ ಖರ್ಚು ಹೆಚ್ಚು.

ಶ್ರೀ ಎಂ. ಆರ್. ಪಟ್ಟಣಶೆಟ್ಟಿ.—ಎರೆಕ್ಟ್ರಿಸಿಟಿ ವಿಚಾರದಲ್ಲಿ ಯೂನಿಫಾರ್ಮಿಟಿ ಮಾಡಬೇಕೆಂದಿರುವಾಗ ದರ ವ್ಯತ್ಯಾಸವಾಗುವುದಿಲ್ಲವೆ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚೆನ್ನಬಸಪ್ಪ.—ಥರ್ಮಲ್ ಪವರ್ ವಿಷಯದಲ್ಲಿ ಯೂನಿಫಾರ್ಮಿಟಿ ಬರುವುದು ಕಷ್ಟ. ಹೈಡಲ್ ಪವರ್ ಸರ್ಕಾರ ಉತ್ಪಾದನೆಮಾಡ ಬೇಕಾದ್ದು ಮಾಡಿದೆ. ಅದರ ಬಗ್ಗೆ ಬೊಂಬಾಯಿ ಕರ್ನಾಟಕ, ಹೈದರಾಬಾದು ಕರ್ನಾಟಕ, ಹಳೆಯ ಮೈಸೂರು ಈ ಭಾಗಗಳಲ್ಲೆಲ್ಲಾ ಯೂನಿಫಾರ್ಮಿಟಿ ಮಾಡಬೇಕೆಂಬ ಅಭಿಪ್ರಾಯವಿದೆ. ಥರ್ಮಲ್ ಪವರ್ ಉತ್ಪತ್ತಿಮಾಡುವುದಕ್ಕೆ ಆಗುವ ಖರ್ಚನ್ನು ನೋಡಿ ಆ ಬಗ್ಗೆ ಥಾರ್ಜ್ ನಿರ್ಧರಮಾಡಲ್ಪಡುತ್ತದೆ.

Sri K. P. GADAG.—May I know whether this question has been referred to a Tariff Committee ?

Sri H. M. CHANNABASAPPA.—I have already submitted that the Rating Committee has been appointed and that it has submitted its report. The Board is considering the matter and its proposals will be put up to Government very shortly.

Sri K. P. GADAG.—What is the recommendation of the Tariff Committee ?

Sri H. M. CHANNABASAPPA.—The Rating Committee's report is under the consideration of the Board and the Board's reaction to the Rating Committee's proposals are awaited.

ಶ್ರೀ ಎ. ಜೆ. ದೊಡ್ಡಮೇಟಿ.—ಥರ್ಮಲ್ ಸ್ಟೇಷನ್ ಇರುವ ಸ್ಥಳಗಳಲ್ಲಿ ಹೈಡಲ್ ಪವರ್ ಒದಗಿಸುವ ಯೋಜನೆಯಿದೆಯೆ ?

Sri H. M. CHANNABASAPPA.—Immediately after the Sharavathi Project goes into commission, it is the earnest desire of Government to see that hydel power is distributed all over the State.

Sri V. P. DEENADAYALU NAIDU.—Does the Board contemplate any further increase in the rate ?

Sri H. M. CHANNABASAPPA.—At this moment I cannot say whether it is going to increase or decrease. The point for consideration is about uniformity.

Ameliorative Measures to Weavers in Bijapur District.

Q.—1487. Sri S. Y. PATIL (Sindgi).

Will the Government be pleased to state :—

(*a*) the total number of weavers in Bijapur District ;

(*b*) whether they are aware of the depressed economic condition of the weavers ;

(*c*) if so, the ameliorative measures proposed to be taken in that behalf ?
